

MATCH DAY PROGRAM

22nd April 2017

"We'll see you right"

PARAPINE

UPPER HUTT CITY VS NORTH WELLINGTON

MAIDSTONE PARK - KO 3:00 PM

A message from Mark . . .

The Capital Premier league is very competitive competition and believe everyone is capable of beating anyone on any given day and it will be a strongly contested title race.

Unfortunately we have been the Jekel and Hyde team this year, down one game up the next and if we wish to be taken seriously we will certainly need to be more consistent with our performances. Last weekend with the Easter Bunny visiting, it had us playing two games, Island Bay (0 – 4) on the Friday which we don't want to dwell on and Lower Hutt on Monday (3 – 0), with Dave, Jeremy and Benn the scorers.

This was a much improved performance against what appeared to be an even younger team than usual from Lower Hutt. We got off to the perfect start, opening our account in the 2nd minute. The game then ebbed and flowed but felt we were always in control and we got our second right on the stroke of half time.

The second half continued in the same vein and if it wasn't for their keeper the score could have been much higher than it was.

Today we welcome another title contender in Lloyd and the North Wellington team who have made a solid start to the season and look to be scoring goals for fun. They have recruited very well during the off season, including ex Phoenix / All White player Ben Sigmund. With players of this calibre playing in the Premier league it can only improve the standard. I know as a player I would always enjoy the challenge of pitting myself against that sort of quality.

Hope you enjoy today's festival of football, with 3 great games to watch, starting with Wendi and the ladies 1st team (who racked up 20 goals last week) up against Seatoun, followed by us, then rounded up with the reserves at 5pm against Petone. Finally thanks to our loyal supporters and good luck to all teams in orange. Look forward to discussing the game with you in the club afterwards. Foz

Reviewing the reserves . . .

After enjoying our first victory last weekend away at Victoria University Stallions, the Reserves look forward to the late game this evening against Petone. While it was great to get our first win, we made life difficult for ourselves by not sticking to our strengths and not demonstrating enough urgency in the attacking third of the pitch.

What was frustrating about this performance was that the week prior we were very, very good against a quality Hooligans side for much of that game.

In my second year coaching the Reserves, consistency of performance is the one area individuals and the group need to improve on if we are going to have a successful season. This proved to be an 'achilles heel' for us last season.

I would like to welcome Petone back to Maidstone this evening. They have had a tough start to the season with three losses, including a big loss to the Hooligans here. Last season, we won both games but both were tough games and I expect it will be no different this evening. In saying this, if we have the same application and effort that we demonstrated at our last home game, I am sure we will get the 3 points.

Phil

OFC final in Auckland & Wellington. . .

For the third year in a row, the OFC Champions League final will feature Auckland City and Team Wellington but for the first time the two clubs will battle it out over two legs.

The first leg of the home-and-away final will be played at Auckland City's home ground of Kiwitea Street on Sunday 30 April at 2pm.

The final match of the 2017 OFC Champions League will be played at David Farrington Park on Sunday 7 May, kicking off at 1pm.

Kiwitea Street has seen its fair share of high profile matches, especially over the past seven years during which time Auckland City has dominated domestically and regionally.

After hosting its first OFC Champions League match at the weekend and seeing Team Wellington through to the final with a comprehensive 7-1 victory over AS Magenta, David Farrington Park is set to host its first final. Fans of the OFC Champions League are in for an exciting pair of encounters as the rivalry between these two sides continues to build. The last major clash between the pair, the Stirling Sports Premiership final, finished in Team Wellington's favour for the second time.

However, in Oceania's premier international club competition, it's Auckland City who hold the record over their opponents with two consecutive OFC Champions League final victories against Team Wellington.

Get ready for two weekends of thrilling, entertaining and fast-paced football between the two leading clubs in Oceania right now – Auckland City and Team Wellington.

competitive.”

The Men's A-Grade Premier 35+ shapes as a great battle. Central United, with former All Whites Rayner, Mulligan, Paul Urlovic, Vicelich and former South African international Grant Young and Auckland City coach Ramon Tribulietx, will fancy their chances of claiming the title.

They could well have a final meeting with Rangitoto United who also boast plenty of former internationals in Leigh Kenyon, Jeff Campbell, Hickey, Graham Pearce, Gerard Davis, Ross Nicholson and Tim Stevens. Football Ferns coach Tony Readings will be among those competing when he lines up for Birkenhead United Men's B-Grade Competitive over 40s.

In the women's competition, Ferns Reunited are sure to capture most of the attention in the Women's A-Grade Premier 30+. Their team is stacked full of Ferns like Gregorius, Pam Yates, Cushla Lichtwark, Dana Humby, Kristy Hill and Rebecca Rolls.

Meanwhile, a few of the older generation of All Whites in former captain Rodger Gray, Carl Jorgensen and NZ Football Foundation CEO Noel Barkley will line up in the Kiwi Masters in the Men's A-Grade Premier 50+. Farrow said that player experience is the key measure for success of the World Masters Games. "If people walk away from the tournament and they have had a competitive experience and a positive experience in Auckland then I feel everyone in our team will feel like they have done their job."

The football tournament of the World Masters Games will be contested at QBE Stadium and Westlake Boys and Girls High Schools from Saturday 22 April with most of the finals to be contested on Sunday 30 April.

Football legends line up for WMG . . .

Some legends of New Zealand Football are preparing to take part in one of the biggest sporting events in the world in the World Masters Games this week in Auckland.

Former All Whites like David Rayner, David Mulligan, Ivan Vicelich and Noah Hickey and ex-Football Ferns like Sarah Gregorius, Priscilla Duncan, Rebecca Rolls and Kristy Hill are dusting off the boots to be part of the action.

With more athletes than the Olympics, the World Masters Games is the single biggest multi-sport event on earth and is being held in Auckland over 10 action-packed days from 21 April. Recognised by the International Olympic Committee, the event will bring over 25,000 athletes from 100 countries together with 28 sports and 45 disciplines on offer.

Daniel Farrow, the Head of National Competitions for New Zealand Football, said Tournament Director Kerry Greene and her team have been working behind the scenes since June and can't wait for the World Masters Games to begin. "We are now getting to the business end of the tournament and we are looking forward to welcoming over 2,200 athletes across three football venues to Auckland," said Farrow.

"This is a massive event on the world stage. It is a real privilege to have this in Auckland and for New Zealand Football to be able to deliver the football tournament." Farrow said the World Masters Games is famous for being a great social event, but the standard of A Grade will be exceptionally high with a number of players who have competed at the highest level. "This event has attracted a number of ex-international players across the board, there are a number of former Ferns and All Whites taking part to add the Kiwi flavour. They are very much trying to win. There are certain age groups like the 30s or 40s that are going to be incredibly

A message from Gibby . . .

and singles from Bria Sargent & Carolyn O'Reilly.

Easter Monday had the Prens away to Island Bay at Wakefield Park looking for their first win of the season. The girls started

strongly, and created 3 fantastic opportunities in the first 20 mins, with Sydnie Williams netting her first for the season making it 1 -

0. We continued to press high, and looked to capitalise on Island Bays' mistakes, Sydnie and Zoe Barrott both taking their chances to take the score to 3-0. Island Bay made some tactical changes to switch out their quickest attacker and put her in at left back to combat our attacking threat, which was indicative of the pressure we were creating, and shortly after Becky Stewarts corner kick

duped an Island Bay defender, forcing her to knock it into her own net making it 4-0 at half time.

We made several changes of our own at the half, and continued to push on. Island Bay made more of a game of it in the second half, however we never truly felt threatened. A quick break and a great through ball saw Brooke Chandler scamper away from the defence, and calmly slot past the approaching keeper. The final score in cold conditions 5-0.

This Saturday the W-League take on Seatoun in what will no doubt be a hotly contested match, while the Prens take on Vic Uni on the Sunday.

City Review

A message from Gibby . . .

Good Friday saw the Premier League team face W League contenders Palmerston North Marist, while the W League team took on an understrength Wairarapa in the first round of the Kelly Cup.

It was always going to be a tough ask of the Prens to face up to PNM, but face up they did. Irrespective of the score, the girls worked hard as a team and kept their shape and composure, and at times played a great brand of football. Cam and Jamie had set a number of team goals for this match and were pleased that the team stuck to their guns in achieving them, while in the process managing to rattle their higher league opposition. For perspective, the final score of 9-0 is on par with some of the lower placed W League teams, which we should take as a positive for this very young developing side.

The W League team started their Kelly Cup campaign against Wairarapa knowing that there were a few missing from their starting first team. We started quickly, hitting the back of the net after just 4 mins via Rebecca Jfferies. In quick succession, Emma Main, CJ Bott, Kennedy Bryant, Bria Sargent and Sarah Gregorius were on the score sheet making the score 6-0 after only 20 mins. To Wairarapa's credit, they never gave up, never parked the bus, and kept trying to play their style and shape, which in turn allowed us to play attractive, positive football and to try different combinations. At half time we made the maximum five substitutions, and the pleasing thing from a coaching perspective was that our standard remained high, and we continued to play good football for a sustained 90 mins. The final score was 20-0, including 3 hat tricks, (Ellen Stirling, Rebecca Jfferies and Sarah Gregorius), a brace each for CJ Bott and Kennedy Bryant, 4 goals for Emma Main,
