TOA

CHAIRMAN'S WELCOME

Good afternoon everyone, and a warm welcome to Maidstone Park and the Pavilion, our clubrooms.

Whether you're a life member, a regular supporter, or visiting us for the first time, it's great to have you here with us today.

As we continue through this centenary season, we have a unique opportunity — not just to look back on our history, but to shape what comes next. There's a noticeable sense of momentum building around the club, and it's coming from all corners — in the clubrooms, at training, and on game days. People are contributing ideas, offering their time, and thinking about how we can keep moving forward together.

We've had a solid start to the year, with several well-attended events that have helped bring people together and keep things moving. The next one on the calendar is our Club Quiz Night — always a fun night, and a great chance to catch up off the field. Events like these are important. They give us a chance to connect and strengthen the community around the club.

Looking ahead, we want to build on this momentum. There are plenty of great ideas around — for fundraising, improving facilities, and adding to our social calendar. But making them happen takes people. If you've got a skill, a bit of time, or an idea you'd like to see get off the ground, we'd love to hear from you. Whether it's helping out at an event, joining a committee, or lending a hand where needed — every bit helps.

This club has come a long way thanks to people stepping up and getting involved. That's what's kept us going for 100 years, and it's what will keep us moving forward.

Enjoy the match today, and thanks again for being part of the club.

MEN'S COACH COMMENTS

I want to welcome Kale and his Miramar team to Maidstone Park.

Kale's father Ricki coached me for the All Whites and so everytime I see him it always brings back very good memories; in particular of the Bahrain Playoff games and the World Cup in 2010.

We are hoping for more good memories as a team today like our gutsy 1-1 draw v Napier last Sunday. Every player put in a huge shift and getting our first point in our Central League season was a bonus as not many teams go to Bluewater Park and leave securing points on the board.

I feel with the start we had this season that it is starting to come together and the lads are beginning to believe they are good enough to mix it with the best

in the Central League. We welcomed new players into our team this season and week on week we see the cohesiveness and team unit grow.

We know today is going to be one of our toughest games so far this season so have been working and pushing to be at our very best today.

We are looking forward to the challenge.

WOMEN'S COACH COMMENTS

The girls have had a tough start to the season.

3 tight losses against 3 very good teams in games where we dominated and created enough chances to win. The girls have been playing great football and are determined to turn it around.

This weekend, we will play Petone. Every year, this is a derby match that the team looks forward to, and it

always turns out to be an entertaining game. Hopefully, this is the game where the girls kickstart the season with a win. Come on down as this always turns into a high scoring affair.

Women's Head Coach
