CHAIRMAN'S WELCOME

Good afternoon everyone, and a very warm welcome to Maidstone Park

A special welcome to our visitors from Wests and Waterside Karori — it's great to have you here for what promises to be a big weekend of Cup action with the men in the Chatham Cup on Saturday and the women in Kate Sheppard Cup action on Sunday.

Our Men's First Team are coming off an important win in the league vs North Wellington but know they will face a much sterner test from a Wests side who two weeks ago put 5 past them in the league. The boys will be looking to show they have learnt the lessons from that performance and put in a much stronger showing in the cup and give the home faithful more to cheer about after the highs of a 4-3 thriller against North Wellington.

On Sunday our Women's Firsts have their 2nd match off their Kate Sheppard Cup campaign against Karori, and we know they'll be up for the challenge. The women are coming off some big wins of late having defeated North Wellington 9-0 in the first round of the cup and Wests 11-1 in the league at the weekend however like the men know they face a much sterner test from a Karori side who are currently 3rd in the Central League.

There's a continues to be a real sense of positive energy across the whole club at the moment. From juniors through to our senior teams, we've seen some fantastic performances on the pitch — and just as importantly, progress off it. We have recently opened

a Kiosk downstairs and we are now able to offer our members, visitors and Park users a range of hot and cold beverages and sweet treats as well as some club merchandise including caps, beanies and our recently added centenary beer glass and coffee cup. Supply is limited so get in quick while stocks last.

Looking ahead, we're now firmly in countdown mode for our Matariki Weekend centenary celebrations. There's a full schedule planned, with matches at both Maidstone Park and our old stomping ground, Harcourt Park. It'll be a weekend to remember.

If you haven't already, make sure you grab your tickets for the Centennial Dinner and get your hands on a commemorative centenary shirt. It's a special moment in the club's history, and we'd love to have as many people involved as possible.

Thanks for being here today — and as always, thank you for being part of the club.

Enjoy the matches.

MEN'S COACH COMMENTS

I want to give a warm welcome to the players, staff and supporters of Western Suburbs to Maidstone Park today for our first Chatham Cup game of the season.

The matches over the past few weeks for both teams have led us to what should be quite an exciting rematch.

This is now our second game in 2 weeks v Western Suburbs and a lot has happened since our last meeting on their home ground at Endeavour Park.

Fortunes got reversed last Saturday as we got a huge win v North Wellington that ended up a 4-3 thriller for our supporters. I know there were many with heart palpitations on the balcony right up to full-time with us securing the win in the 89th minute.

Then a shock result for Western Suburbs losing to Island Bay 1-0 last weekend, which for a top team looking for a National League spot that would have been a hard day for everyone involved.

But as we all know football is unpredictable and you can never rest. As for us we learnt a lot of valuable lessons in that 5-0 loss at Endeavour Park 2 weeks ago.

The main lesson for us was if you fail to prepare, prepare to fail. As such, we have also been learning about game mentality, being up for the battle if the game turns ugly.

Our last match against Wests was a huge learning moment for us and we took those learnings and applied in our 4-3 win v North Wellington.

I'm sure today will be another interesting encounter with Wests and look forward to hearing and seeing the support from our UHCF community.

He Waka Eke Noa.

WOMEN'S COACH COMMENTS

We knew going in that the Capital Premier League was going to be tough this year.

After a rough start, the girls have been fantastic over the last 4 games. 3 wins in the league in a row with 21 goals scored and a 9-0 cup win have us in really good form at the moment and in a really good position.

The girls are improving every week, and that was shown on the weekend with a very clinical performance. The girls were absolutely ruthless, getting 9 goals in the first half against Wests. A great performance from everyone.

This weekend's game against Karori will be the biggest test yet as they are one of the top teams in the Central League. It's a huge chance for the girls to show that we are able to compete with teams at that level and show that we belong in that division. The team always rises to the occasion in the cup, so it should be a great game.

Women's Head Coach
