# TOA

# CHAIRMAN'S WELCOME

**On behalf of Upper Hutt City Football, I'd like to extend a warm welcome to Waterside Karori, as we come together to celebrate a once-in-a-generation milestone: 100 years of Upper Hutt City Football.**

This weekend marks an incredible moment in our club's history -- one hundred years of football in Upper Hutt. A century of teams, trophies, training nights, early morning kickoffs, lifelong friendships, and the thousands of volunteers who have made it all possible.

Whether you've been part of the club for decades or are in your very first season, it's an honour to share this moment with you.

A special welcome again to our visitors from Waterside Karori, who are taking on our Men's and Women's First Teams, as well as our Men's Reserves. We're thrilled to have you here as part of this historic occasion and wish all teams a competitive and enjoyable match day.

We kick off the festivities with the Men's 3rd team on Thursday night -- the first of many matches over the long weekend. Across Maidstone and Harcourt Parks, we've got a packed schedule featuring junior and senior games, legacy fixtures, and opportunities for past players to pull the boots on again (or at least reminisce about the days they could!). It's a fitting tribute -- letting the game itself take centre stage.

It's especially heartwarming to see so many past and present members reconnecting -- sharing stories, catching up over a drink in the Pavilion, and reliving old memories. As tradition has it, the stories will flow and the legends will grow. The older we get, the better we were -- and that's exactly how it should be.

One of the weekend's highlights will be the burial of our Centenary Time Capsule. Created with contributions from across the club, it captures who we are in 2025 -- a vibrant, passionate community, proud of where we've

come from and excited about where we're headed. One day, when future members open it, we hope they feel the same pride we do today.

This weekend is also a time for reflection -- to honour the many players, coaches, supporters, and volunteers who helped build this club but are no longer with us. Their spirit is deeply woven into the fabric of Upper Hutt City Football, and we carry their legacy forward into the next 100 years.

To everyone who has played a part in bringing this celebration to life -- the Centenary Committee, our tireless volunteers, club staff, and all those working behind the scenes -- thank you. Your dedication has made this weekend truly memorable.

Let this be more than just a look back -- let it also be a step forward. The energy across the club this year has been outstanding, from our junior grades through to our senior teams, and the momentum is only growing. This centenary weekend proves that while we celebrate our past, we're firmly focused on the future.

So whether you're taking the field, reconnecting with old friends, meeting new ones, or simply soaking it all in -- enjoy every moment.

This is your club, your community, and your time. Here's to another 100 years of football, friendship, and pride in Upper Hutt.

# MEN'S COACH COMMENTS

**I started coaching Upper Hutt in February 2023 after a two year stint with the Wellington Phoenix Academy.**

The first team hadn't been in the Central League for over 12 years, whilst there were many opportunities to get there they unfortunately fell short on the final hurdle.

Looking at the previous programme it was clear that the training in place was not getting the lads fit enough to get to the level we needed to have a chance at a promotion to the Central League.

I had a meeting with them and told them that if they were serious about going up they needed to up the training from twice a week to 3 times in the week. This then became our norm of Monday, Wednesday and Thursday nights. I also added Tuesday and Friday mornings for the ones that really wanted to excel.

The boys didn't love all the running but they got the work done and they didn't complain about it.

It was a roller coaster of a season. We needed to win our last game of the season to get into the playoffs; but if Tawa won they would go through and if both Upper Hutt and Tawa lost, Lower Hutt would have gone through if they won their last game.

Fortunately fate shone kindly on the Hutt and we qualified for the playoffs on the last game of the season winning our final game and Tawa losing.

We beat Palmerston North in both games and as such we achieved our first goal as a team together.

Now we are currently 10 games in the Central League. We knew it was gonna be a big step up but the main priority was to stay up but our goal was to finish mid

table. As part of this I had to strengthen the club with a few new signings this season and the squad has definitely up-skilled with all the training.

Our Talent Development Programme is thriving bringing through a lot of home grown talent, the majority of them now training every day wanting to go higher in the game.

Our goal this year as a club was for the Men's 1st team to stay up in the Central League, our Men's Reserves to get promoted to Capital Premier and our 3rd team to get promoted into the Capital 2.

If we achieve this that would be the icing on the cake for a brilliant 2 years in charge with the help of my magnificent staff.

Once that has happened then the next phase is to identify the next best 11 and 12 year olds in the club to prepare them for the Talent Development Programme. Alongside this I am also wanting to help up-skill and grow the Women's programme to try and get our Women's 1st team promoted to the Central League as well.

It's a great time for Upper Hutt City F.C as we take this journey of growth during our Centennial year. Tonight let's appreciate our history and the bright future together.

# WOMEN'S COACH COMMENTS

**We welcome Karori to Maidstone Park.**

The team is looking to bounce back after the loss over the weekend and give the club a win over the centenary weekend. Having played their first team in the cup a few weeks ago, this should be a really interesting contest against a team in a similar league position.

The team is looking to come out firing to ensure that we remain in the race to win the league as the

performances over the first half of the season have been fantastic. It will be a real spectacle to have the 2 club first teams playing one after the other and the perfect way to kick off the celebrations.

**The teams origins began in 2003 in Wellington Mens Division 4 and and won the league in the 1st season, they were also promoted again the next year to Div 2 and was founded by Glenn Gollop, aka Benchy.**

RJ's stands for Right O You Jokers , which was a favourite saying of Benchy's.

Unsure when but time started to take it's toll so it was time to move into the Masters Leagues starting in Division 5 and eventually moving up to now being in Division 1.

The photo attached is from last years Division 1 Championship winning team. We elected not to go up due to an ageing squad and this year has been a little hit and miss with a very injury prone squad and a lot of new faces to the club and team. We are still loving life, have a lot of jokers in the squad which adds to the fun and we try our best to play and attractive style of football.

For a social team, we do hate losing xxx

## MASTERS TEAM INFO AND SQUADS

# MARAUDERS

### UHC MARAUDERS – BACK IN ACTION

The UHC Marauders return to competitive football this season with a refreshed squad and a renewed sense of purpose. After a period where several key players took well-earned sabbaticals, the side has regrouped, re-energised, and made history by becoming UHCF's first official Over 45's team.

It's a proud step forward, not just for the players but for the entire UHCF community. This team represents the spirit of longevity, loyalty, and love for the game that defines our club, the Marauders show that football is truly a game for life.

### LEGENDS RETURN

One of exciting developments this season is the inclusion of club legend Steve Andrews. Steve is no stranger to anyone at UHCF - his name is etched into club folklore thanks to years of top-level performances, leadership, and service. Now donning the Marauders kit, Steve brings not only quality and experience but a fierce pride in the badge that continues to inspire those around him.

### LEADERSHIP ON AND OFF THE PITCH

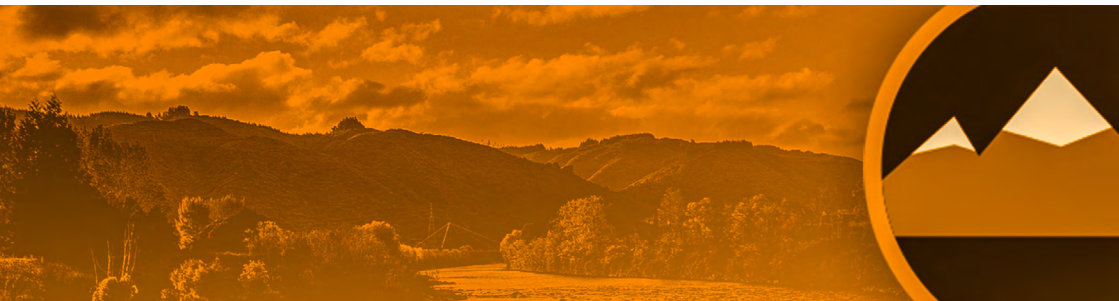

Joining the Marauders ranks this season is none other than club chairman Tristan Elder, who has laced up the boots once again. A driving force behind the scenes at UHCF, Tristan's appearances in the squad reflect the unity and shared passion that keep this club thriving. His involvement brings more than just tactical nous - it brings a message: no matter your age or role at the club, there's always a place for you on the pitch.

### SQUAD SPIRIT & LOOKING FORWARD

This is a team built on camaraderie, respect, and the joy of the game. A tight-knit core of veterans, many of whom have been involved with UHCF for decades are joined by a few fresh faces, proving there's still plenty of fire in the belly. There's laughter, commitment, and of course, some high-quality football from players who know every blade of grass on the pitch.

The Marauders are not just back, they're building something meaningful. With matches ahead and momentum growing, they'll be looking to fly the UHCF flag with pride and remind everyone that the game doesn't stop at 45 - it just gets better.

Up the Marauders!

# UHCF U13, 15, 17, U14 & U16

### DEVELOPMENT PROGRAMME

**Upper Hutt City Football's Talent Development Programme (TDP) was established in 2020 in response to the phasing out of the Federation based Talent Centres by New Zealand Football.**

The TDP programme was put in place to enable our ambitious and talented male and female youth footballers to continue to develop, grow and fulfil their potential on and off the field while remaining part of the UHCF footballing family.

Starting from two mixed teams at U13 and U15 at its inception, the TDP programme has gone from strength to strength. As well as re-establishing the clubs U17s programme as a key stepping stone to men's football, we have also introduced a U14 Girls Only team and this year added an U16 Girls Only team.

The programme has seen a dozen male and female players join the Phoenix Academy and that number again make their debuts across the Men's and Women's Firsts teams.

## JUNIORS HOME MATCH INFO

We're excited to be hosting five of our Junior teams Saturday morning at Maidstone Turf, kicking off at 8:45am with our U10 teams.

Following that, five of our U10 teams, the Scorpions, Dragons, Pumas, Pythons, and Sharks, will be playing back-to-back matches against each other, as well as against two Petone U10 teams and one from Lower Hutt.

At 11:15am, our U11 Kestrels take on Naenae U11 Achievers, and our U12 Leopards face off against our very own U12 Lynx.

Come along and support the future stars of our club, there's sure to be plenty of energy, skill and fun on display!

# CENTENARY SHIRTS

**THE CENTENNIAL SHIRT DESIGN FOR UPPER HUTT CITY FOOTBALL IS A POWERFUL TRIBUTE TO THE CLUB'S RICH HISTORY AND ENDURING COMMUNITY SPIRIT.**

Featuring unique sleeve bands, the shirt honours the three foundation clubs—Taranua United, Upper Hutt United, and Valley Wanderers—paying subtle homage to the roots that formed today's club. Designed in the signature club colour, the shirt embodies identity and unity.

A standout feature is the inclusion of members' names, both past and present, representing the generational connections and family legacies that have shaped the club's journey. Moving beyond a retro aesthetic, the design emphasizes family as the club's cornerstone, offering a forward-looking vision that remains deeply anchored in tradition. With a modern yet timeless look, the Centennial Shirt captures 100 years of football and community in one emblematic design—celebrating the past, embracing the present, and inspiring the future.

Football is my lifelong passion, whether playing or coaching. A life member of the Upper Hutt City Football Club where I have served on various committees over many years and currently the bar manager, where organisation and communication are key.

We are proud sponsors of the junior club, masters team and a social team. When not involved in all things football I enjoy listening to music and running fundraising quiz nights.

My greatest passion is to travel, not just to see the world, but I thrive on meeting people from diverse cultures and embracing different ways of life. This empathy and understanding has assisted me to be incredibly successful in my business life, helping people in and out of homes while understanding their specific needs.

I come from a professional background including working in large accounting and legal firms as well as prominent government agencies.

Marketing and Communications is a genuine interest of mine – I even enjoy watching adverts to see what companies are producing! I enjoy it so much, I decided to study it and have achieved a Bachelor of Commerce majoring in Marketing and Management.

I am what some might call a 'foodie', going somewhere new to eat is always exciting and cooking is never a chore.
