TOA

CHAIRMAN'S WELCOME

Good afternoon and welcome to Maidstone Park.

It's great to have you with us for what should be another exciting weekend of football. A special welcome to Napier City Rovers, making the trip to Maidstone for a League fixture in over a decade. We're looking forward to what should be an exciting Central League match.

Our Women's Firsts are on the road this weekend, heading to Kāpiti, while our Toa ITM Men's Reserves are back at home against long-time friends and rivals Stokes Valley. It's a top-of-the-table clash and one the lads will be well up for. The Men's Thirds also take on Stop Out, looking to build on their strong season so far and keep their spot at the top. And don't forget, our Women's Thirds are in action here at Maidstone too, also against Stop Out — get down and support the teams if you can.

We're still riding the high from our Centenary celebrations over Matariki weekend. It was a fantastic few days, full of football, memories and connection. From the legacy games and the time capsule to simply catching up with old friends in the Pavilion, the weekend reminded us just how special this club is. A massive thank you to everyone who came along, and especially to the Centenary Committee, the volunteers, and everyone who worked behind the scenes to make it all happen. You did the club proud.

The Centenary showed us again that Upper Hutt City Football is more than just what happens on the pitch — it's about people, connection, and community. From our youngest juniors to our longest-standing members, there's a real sense of pride in the orange shirt — and rightly so.

Sadly, the past few weeks have also brought moments of sadness, as we've lost some much-loved members of our club family. Our thoughts are with all those who are hurting. Football brings us together, but it's the people who give it heart.

As we move into the second half of the season, let's keep that sense of pride and respect front and centre — whether we're playing, watching, coaching or supporting. And a quick reminder — our behaviour matters. Let's all make sure we treat referees, opposition, and each other with the respect this club stands for.

Thanks again for being part of Upper Hutt City Football. Enjoy the games, get behind the teams, and as always... Go Orange!

Tristan Elder
Chairman

MEN'S COACH COMMENTS

I want to give a warm welcome to Bill and his Napier Team to Maidstone Park today.

It's great to see teams like Napier coming to visit us and if it was anything like our last game I'm sure it will be an exciting one for the orange army fans.

I can't believe that we only have 6 games left. The season has gone so quickly and we have everything still to play for.

Today Napier are needing the win to stay in the top 4 race and if we win then only 2 points will separate both teams.

Our form at the start of the season wasn't looking great but gaining 4 points in 2 games has really pushed us closer to the pack.

With last week's huge win against Island Bay it's brought another team into the bottom of the table fight as well.

And with North Wellington picking up points in the past weeks the last 6 games will be exciting.

My young team has learnt so much this season and I feel like we are getting better and better as each game is played.

But we all know football is very unpredictable and things can change quickly so we can never be complacent and we must continue to work hard in training and keep a focused mindset.

We hope you enjoy the game today.

He Waka Eke Noa

Men's Head Coach
